On the 3rd floor, you can borrow major-related textbooks at the Major Textbook Corner. There is also a laptop rental service and a "Camping Zone" where you can relax comfortably.

Libraries Outside the University

ACC Library

◀ B3, Culture & Information Center ▶

If you are looking for study spaces outside the university, we recommend Gwangju Central Library and the ACC Library. At Gwangju Central Library, you can borrow books just by signing up as a member, so it's a great place to check out books that aren't available at the university library.

The ACC Library has plenty of seats and even Wi-Fi charging stations, making it ideal for students who want a quiet place to study.

THANK YOU.
